

# Welcome!

Thank you for choosing our hotel for your vacation in the Southern Maine coastal area. The staff at the Sea Latch Inn want your stay to be all that you hoped for during your vacation. If there is anything we can do to help make your stay more enjoyable, please let us know.

Nearby, there are many fine restaurants, golfing, tennis, antique shops, shopping malls, and factory outlets. Historic Portsmouth is less than 10 miles away, and history buffs will surely enjoy the houses and museums of the Old York Historical Society. Informative literature on these and other attractions are available at the front desk, and our knowledgeable staff can assist you with directions and recommendations.

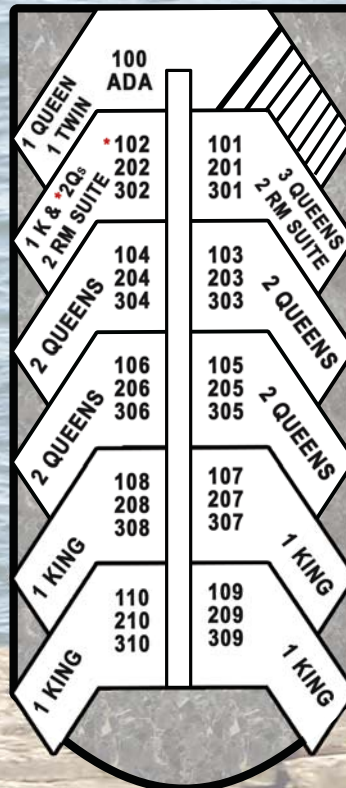

We are most anxious to make your visit at the Sea Latch Inn pleasant and comfortable. Please let us know if we may assist you.

Very truly yours,

Bob Poulin
